LIFESTYLE SERIES

Albatross

This was designed for a customer and used by Breenhomes for two months as a showhome.

It was designed with a family in mind and to fit a tight town section. The use of plaster, linea and cedar has worked really well and tied the home into the Central landscape. This home is a great size for a growing family and has nice flow to a covered paved outdoor area. The office nook is close to the family area, ideal for homework etc. This home is heated with an inbuilt logburner and ducted heat pumps.

- Office nook
- Large modern kitchen with walk in pantry
- 2 living areas
- Great storage
- Lovely mono pitch design

With a comprehensive range to cover all tastes, the Breen Lifestyle Series provides sophistication to spacious living and its functional designs are perfectly suited to families that enjoy comfy indoor and outdoor lifestyles.

Contemporary, functional and fun. Mix it up with different claddings to produce an original home. Desirable for those wanting something 'a bit different'.
