BREENHOMES

TE PĀ HAEHAEATA, ALEXANDRA

A great location deserves a great home

breenhomes.co.nz

Builders who build homes

Building Alexandra, since 1939.

Recognised as one of Alexandra's leading residential builders. Local then. Local now. Here for the long term.

Breen has been building in Alexandra since 1939. We've helped shape this town, earned our reputation here and built homes for generations of local families.

Te Pā Haehaeata is the next opportunity to be part of Alexandra's future. We bring the experience of an established builder, backed by people who know the place and take pride in the work.

For us, a successful build means more than handing over the keys. It means building a home our clients are proud to live in, and our people are proud to walk past every day.

With a strong community, everyday essentials close by and Central Otago on your doorstep, there's plenty to like about making Alexandra home.

Build here with a team that's here to stay.

BUILDING WITH BREEN

Breen Homes at Te Pā Haehaeata

Our town. Our name. Our responsibility.

When you build where you live, every job matters. Our clients are our neighbours. Our homes become part of the streets we travel every day. And our name stays attached to the work.

That gives us a personal stake in getting it right.

We know what a home needs to perform in Alexandra, through hot summers and cold winters. We bring that knowledge to the design, the materials and the construction, with care taken in the details you see and those you don't.

We'll take the time to understand how you live and what matters to you. Then we'll work through the plans, inclusions, costs and build process, so you can make decisions with confidence.

Our reputation has been built here since 1939. We protect it by doing good work, being accountable and standing behind the homes we build.

Built by the people who work where you live.

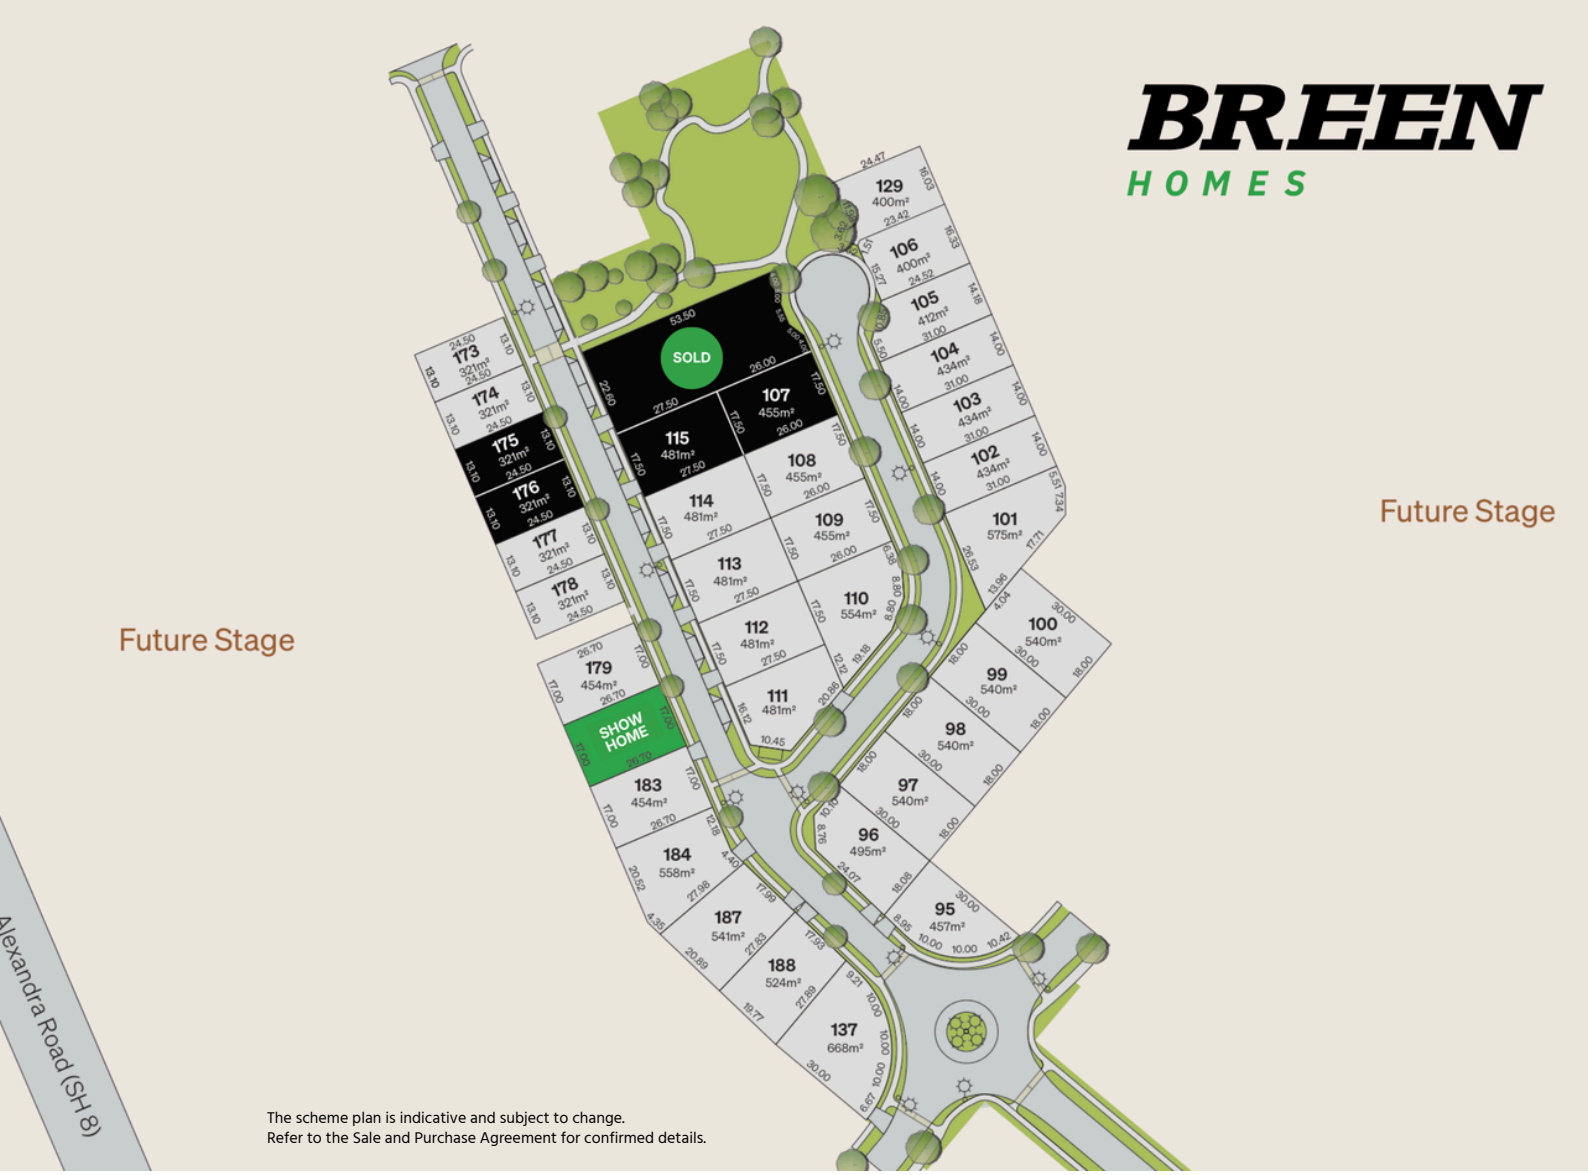

A new neighbourhood.

Te Pā Haehaeata is a new residential development by Ngāi Tahu Property on the north-western edge of Alexandra.

With 189 sections planned across seven stages, it’s a neighbourhood with a long-term vision. Located on Clyde-Alexandra Road, it keeps you connected to the town’s schools, shops, sports facilities and everyday services, with Clyde just down the road.

Find your section.

Breen Homes is selling four sections within Stage One. These are marked in black on the plan.

Think about what matters in your next home. Space for family and visitors. Room for a garden. Or a smaller section with less to look after.

Talk to us about the individual sites, pricing and your plans. We'll help you work through how each section could suit the home you have in mind, including its orientation, layout and the development's design requirements.

Lot 107
455m²
$315,000

Lot 115
481m²
$325,000

Lot 175
321m²
$275,000

Lot 176
321m²
$275,00

Start with an idea.

Make it your own.

A kitchen that brings everyone together. A sunny spot for your morning coffee. Room for visitors or somewhere quiet to close the door.

The homes shown here are a starting point for thinking about what you want from yours.
